New Student Days

New Student Days was a time set aside for all incoming freshmen and transfer students to get to know one another as well as the UD campus.

For football and volleyball players it was a time to meet and greet new and former team members. It was also a time for intense training

and preparation for the upcoming seasons.

For the majority of the new students this time was set aside to allow students to get moved into the residence halls and get acquainted with fellow class members. Various activities were planned for students in order to truly welcome everyone to UD. Activities consisted of: a dance, games at Eagle Point Park, movies, picnics, and a guest speaker in McCormick Gymnasium.

Fall Play

Art Acts: The Life and Art of Frida Kahlo, Kathe Kolwitz, and Georgia O'Keeffe

Flowers, bones, hills, clouds, political heroes, illness, war, poverty, and motherly love-- What do they all have in common? Just a few of the images presented in UD's Fall production. Compiled and directed by Lisa For-Brown, ART ACTS profiled the lives and art of Kathe Kolwitz, Frida Kahlo, and Georgia O'Keeffe. The staging suggested the nature of each woman (a small flat in Germany, a large bright Blue house in Mexico, and a barren studio filled with bones in New Mexico) and a large screen reflected the brilliance of their art. The technical skill and the outstanding performances from the crew and cast paid tribute to these three famous artists.

The Cast and Crew: Rear L to R: Lisa Ford-Brown, Kirill Tsekanovskiy, Doug Clevenger, Jeff Berens, Lizzie Kuhne, Geri Futrell, Becky Lukat. Front L to R: Anita Spangler, Elizabeth Gross, Paula Starling, Kelly Antonson, Billy Moreau, Kenn Lukat.

Godspell

By: Kelly Antonson

From March 20 to the 23, the University of Dubuque music department produced the musical "Godspell", a musical based on the book of St. Matthew. "Godspell" was an inspiring show for all, the audience members and the cast and crew. This year's show had an unusual twist, which held some controversy throughout the school and the city of

BELOW: Shamus O'Toole peaks out over the top of the set. Shamus was a senior at East Dubuque High School who has participated in several productions at UD.

Dubuque. Heather Lullman, played the part of Jesus. Having a female play Jesus brought a lot of criticism to our show.

Throughout the running of the musical you might have noticed that the stage was not set up like a normal stage. We used scaffolding and the actual floor as our stage. Having the audience rise above the stage was quite interesting and had an unusual reaction from the audience. The crew worked hard on the show and everyone appreciated their hard work and dedication.

Without the help of the experienced cast members, the direction of Scott Allen and the music direction of Dennis Williams, the show would not have been put on.

Homecoming '96

"Harmony of Memories"

This year's homecoming was an extremely busy time with many events hosted by the Student Government Association. Among the events there was a Euchre Tournament, Singled Out Game, and a Dance contest. On the Friday before the game, Games on the Quad were live and happening and that night was the pep rally featuring our very own Collegiate Singers. The idea for the theme came from the fact that it was the 25th anniversary of the Collegiate Singers.

On Saturday, the men's football team was defeated by the Buena Vista Beavers by only a few points and the womens' volleyball team had an alumni reunion. The weekend ended with a dance at the Holiday Inn- giving us all a chance to look back at our pictures and remember those Harmony of Memories...

What Happy Couples! These two couples were the result of the first Singled Out contest held during Homecoming week. L to R: Bobby Doucet, Brooke Diercks, Layla DeLeon, Mike Renk.

Pure Royalty! The Homecoming Court poses after the crowning at the Pep Rally. L to R: Sara Gassmann, Matt Higgins, Kate VanBrocklin, Paul Kunkel, Maria Calvo, Phil Sarff, Casey Grimme, Sara Nauman, Chuck Leonard.

Yuck! Michelle Meloy spits out the part of the banana she couldn't quite eat during the Games on the Quad.

Bev VanDerZyl and Jacci Campbell enjoy themselves at the annual Homecoming Dance. This past year the dance was held at the Holiday Inn in Dubuque.

Left: Bo and Ann Helmich enjoy a night on the dancefloor. Thanks to the ballroom dance lessons the week before the dance there were more people taking advantage of the music by Airflow Deluxe.

Below: The Lord and Lady of May: Maria Calvo and Kurt Spearsflage.

WHAT A NIGHT! After hours of dancing Dan Fagan, Jaime Edrosa and Jon Pfaff take a moment to rest. There were rave reviews on the quality of music played by the DJ throughout the night.

Heather Lullman and her date enjoy a night of music and dancing.

Founders Day Ball

The second annual Founder's Day Ball marked the 145th anniversary of the University of Dubuque. This spectacular event was held at the Dubuque Inn, Friday April 18th. The sounds of Airflow Deluxe kicked off the evening with music from the big-band era. The crowning of the Lord and Lady of May followed. This year's royalty were Maria Calvo and Kurt Spearsflage. After the coronation came the great sounds of the video DJ.

Much credit for this wonderful event goes out to The University Program Council and their advisor Gary Cooper. They spent many tireless hours planning, decorating, and cleaning up in order to make this event fabulous. It was a rewarding evening and everyone in attendance looked ravishing. It will be a night to remember.

BELOW: Karri Unga, Mike Tischler and Sara Goodrich spread wood chips around campus as service to their campus for Earth Day.

ABOVE: Dan Johnston also helps spread wood chips throughout campus. We wonder though if he did it because he wanted to or if he was just doing his job.

ABOVE RIGHT: Michelle Cripps carries new spruce trees to the locations marked by the UD grounds staff. The spruce trees were donated by The Wagner Nursery.

RIGHT: After a long days work look at all the litter we have to show for it. Thanks to the help of all the sororities and fraternities and other campus helpers our campus was much cleaner after Earth Day.

Spring Fling

Spring Fling was a fun-filled week of games, activities, and prizes sponsored by UPC. This year's theme was "There's No Place Like Home", derived from The Wizard of Oz.

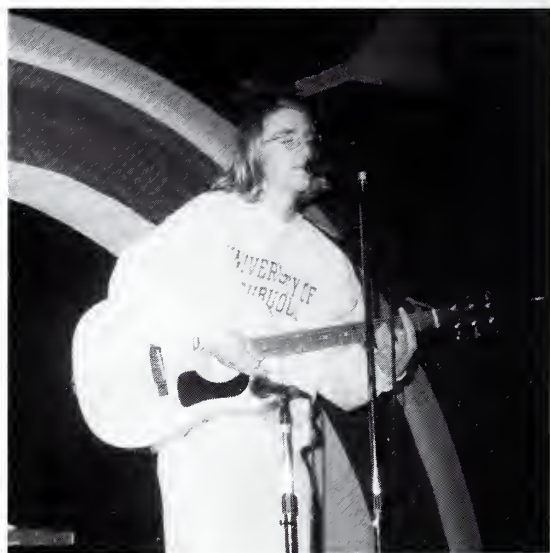

Some of the evnts included: a Medallion Hunt, Sucker Guessing Contest, Euchre Tournament, Scavenger Hunt, Pool Tournament, Talent Show, Movie Nights, Bowling at Fischer Lanes, Dorothy Look-a-Like Contest and Snacks on the Quad each day.

Overall, the week was a great opportunity to get involved and win some money. Other highlights of the week included the Earth Day campus clean-up sponsored by Web of Life, and the kick off to the entire week, Founder's Day Ball.

Michelle Buckner and Kristen Koeller pose with the Tin Man and the Scarecrow before they are placed in the cafeteria for Spring Fling week.

ABOVE: What an opportunity! Gary Cooper in a dunk tank. Many people did take advantage of this opportunity to see just how wet Gary could get.

ABOVE RIGHT: Bo Helmich played the guitar for the Talent Show going home with third place.

RIGHT: Jaci Campbell, Paula Starling, and Heather Lullman also participated in the Talent Show.

A crowd of students anxiously watch the roulette wheel to see if it lands on their number. Dr. Belcastro was just one of the many faculty and staff who assisted with the Senior Party as a dealer.

Senior Party

This year's Senior Party was, once again, a Casino Night held at the Julien Inn. The night consisted of students spending the evening gambling with fake money. The money was then used to "buy" prizes at the auction at the end of the night.

For those students not interested in gambling the party was a great opportunity to dance the night away. We had a wonderful DJ from Sound Expressions that kept the music pumping all night.

As usual the auction was the highlight of the night. There was a wide variety of prizes for everyone to choose from. It was the perfect opportunity to get a head start on furnishing a new apartment.

ABOVE LEFT: Ryan Derrickson carefully counts his money in order to decide just how much to wager on the next Blackjack hand.

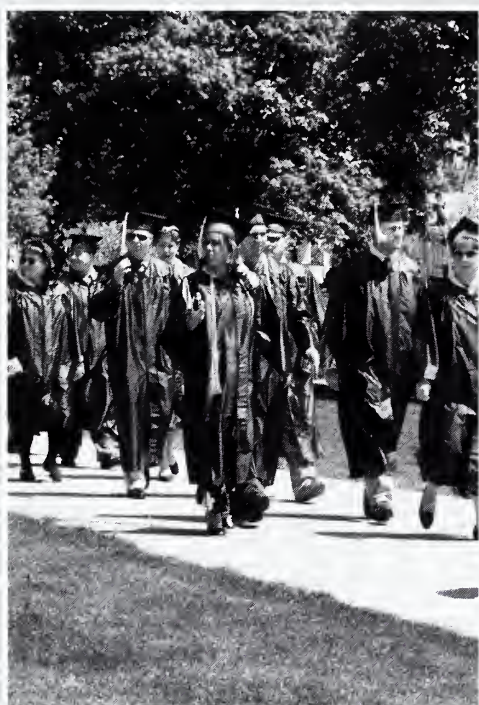

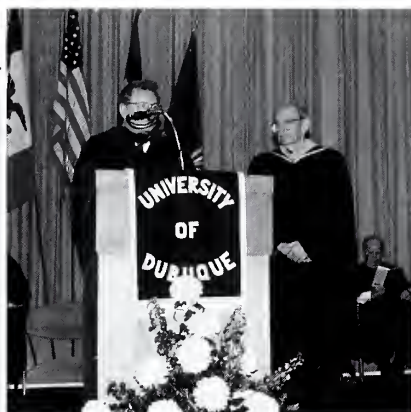

ABOVE: An intense game of Blackjack.

LEFT: Pat Krambeer and Becky Cooper enjoy themselves on the dance floor. For those who didn't care for gambling there was great music to dance to.

Right: In honor of his retirement Dr. Straley presents Dr. Berg with a gift and a note of thanks. We will miss you Dr. Berg!

Below: A group of anxious graduates proceed across the Quad on their way to the stage.

Dr. Kelly Foth tells the graduates "You are ready," and gives them her best wishes.

SMILE: Maureen Pape doesn't seem too disappointed about graduating does she? She joyfully waves to friends as she proceeds to her seat.

Graduation '97

After a long four years, or five or six for some, of classes, residence halls, athletic events, studying, and various social events, the entire class of 1997 came together for one last time. It was now time to "Stop, drop and roll," Dr Kelly Foth, in preparation for the fires to come.

The time had also come for the graduates to drop their masks. "Be who you are," Dr. Foth said. "Life is too short to live pretending you're someone else."

Whether the graduates were preparing to shed their masks or douse a fire, graduation day was exciting. For some it was a blessing to finally be finished with school, while others were "ready to get out in the real world and use the education I received."

Issues at UD

*During the summer of 1996 John Agria resigned as president of the University and J. Bruce Meriwether was appointed interim president.

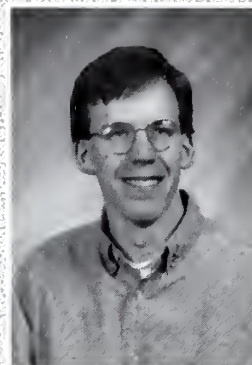

*Ameriserve and ARAMARK food service companies were considered to manage the cafe. Ameriserve was chosen and began service on April 27.

*Parking continued to get out of hand and thanks to a petition started by SGA the Administration agreed to a series of improvements. The changes began in April when upperclassmen were given a chance to purchase permits early and more changes will come next year.

*A wind generator was graciously donated to the University by a lady in Galena. The University denied it saying it would be too much of a hassle.

What I Like about UD

A place where everyone is friendly, even people you do not know.

A safe place.

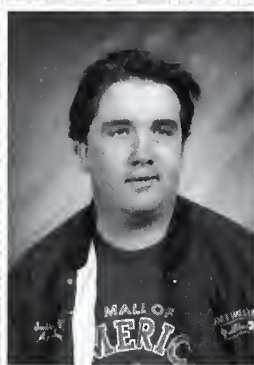

A small place where I can sleep in and still make it to class on time.

A place where professors know your name, they care about you as people not just as students.

A place where students can meet new and different people from farms, from large cities, from other countries, from across town.

A place that offers opportunities to get involved and compete in sports.

A place where I have a friend everywhere.

Administration

The 1997 school year was a busy one for the University's Administrative staff. Not only was there a new president but there was also a multi million dollar campaign underway, as well as plans for a new Academic Technology Centre.

The campaign, "New Horizons of Excellence" is a five year, \$19.5 million campaign. The goals of the campaign are to increase technology on our campus, established for endowed chairs, provide endowed scholarships for incoming students, and greatly improve physical facilities. "While improvements in our buildings and computers will be visible and dramatic," states Bruce Meriwether, "more than half of the funds raised will be invested directly in our people."

The Academic Technology Centre, scheduled to open in Spring of 1998, will house a variety of general purpose classroom space, a technology center, a multipurpose auditorium, and faculty offices. It will be linked to the campus computer network and equipped with state-of-the-art technology to prepare the University for the changes that will affect higher education in the years ahead.

The ground breaking ceremony for the new building occurred in September and building began once school let out for the summer.

Below: J. Bruce Meriwether, formerly Chairman of the Board of Trustees, was appointed interim president after the resignation of Dr. Agria.

Above: The first signs of the new building began in late May. The new Academic Technology Centre will be a welcome addition to our campus.

Left: Beatrice Fingernail and Chris Silveria enjoy their meal as well as a spectacular production highlighting the future of our school.

ORGANIZATIONS

Like every school UD has a variety of campus organizations that students can become involved in. Each one of these organizations is different yet unique. They are all a great opportunity to get to know new people and become involved. These organizations range from social sororities and fraternities to programming to academic and spiritual enrichment.

School spirit at it's finest: UPC members and advisor Gary Cooper decorate his car at Homecoming.

*Candid*s

Vice President Jay Hays sports a cool hat. Jay began the year as secretary and was elected Vice President after our first President resigned.

Student Government Association

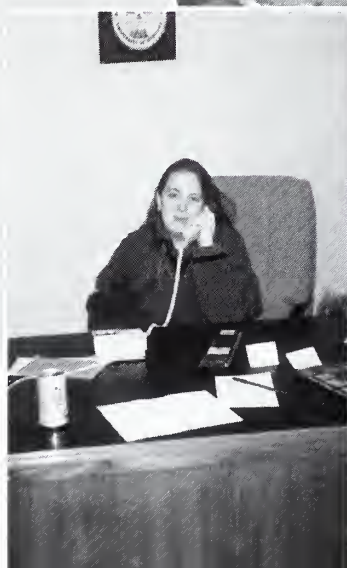

This past year was very eventful and interesting for the Student Government association. The year began with a wonderful Homecoming at the Holiday Inn. The resignation of President Rebecca Udoh came soon after, due to academic priorities. Steph Mayer was then promoted to President from Vice-President.

The entire group attended a retreat at the Midway hotel to brainstorm and establish goals. This was a wonderful chance for everyone to really get to know one another and tap into each others ingenuity. A list of goals and ways to accomplish them were created.

Accomplishments of the 1996-97 SGA include:

1. Parking petition
2. Participation in a food service student committee
3. Sponsoring two students to attend the Iowa Student Leadership Conference
4. Surveys for student input on new games or entertainment equipment to place in the union.

Hard at Work is secretary Lisa Panikowski. Lisa began the year as Sophomore Class Representative and was elected Secretary in order to fill the positions left open following the resignation of our first President.

A group shot of the 1996-1997 SGA: Rear L to R: Bert Carlson, Maria Calvo, Latricia Lord, Agnes Kress, Jeff Berens, Bo Magehee, Ruby Perin, Troy Smith, Sara Bruchert, Doug Oppedal, Jeanne Allabough, Kurt Pasko. Front L to R: Dan Fagan, Jay Hays, Steph Mayer, Lisa Panikowski.

Sara Bruchert listens intently at the SGA retreat held at the Midway Hotel. Latricia Lord gets ready to take more notes during brainstorming sessions.

Dan Fagan and Jeanne Allabough try hard to think of all the uses of a paper clip. Brainstorming seemed to be the key for the retreat.

RIGHT: UPC was known throughout the year as an easy way to win money. A car cruise was just one of the many ways people competed to win some easy cash.

BELOW: Ruby Perin, president of UPC, presents President Meriwether with a Spring Fling t-shirt in thanks for his support of the Founders' Day Ball.

Ruby Perin and Jennifer Dunlay were two very key people in the 1996-97 successes of UPC. It wasn't unusual to hear their voices on two or three voice mails throughout the week.

Founder's Day Ball was, undoubtedly, the highlight of second semester. But, it wouldn't have been possible without the hard work of the University Program Council. Above Heather Lullman, former Lady of May, crowns Maria Calvo 1997 Lady of May.

University Program Council

The University Program Council, or UPC, is an organization that is responsible for having a variety of entertainment on campus, and a variety it has been!!! For the 96-97 school year, you might remember dressing up for Let's Make a Deal or how about that Halloween Dance where men dressed up as women and vice versa, just for a \$75 first prize.

Not all things are as crazy as that, but recall that week when all you saw or heard about was The Wizard of Oz. Yes, a week filled with tons of activities like a Euchre Tournament, Medallion Hunt, and many more ways of making some extra cash. And how can we forget UPC's Advisor, Gary Cooper, sitting in that dunk tank just waiting for someone to get lucky enough to hit the target.

Some other activities sponsored by UPC throughout the year were: free bowling nights, movie nights, coffee houses, a hypnotist, and weekend shopping trips. This year in UPC has been great, exciting, and fun. The members were all great assets to the organization and nothing could have been done without them. A Special Thank-You for all your great help.

Zeta Phi

We Are As One

By: Mary Peloquin

The Zeta Phi sorority was founded on May 2, 1923. The colors are blue and white,

the flower in the sunburst rose and the mascot is the bunny. This year we had fifteen members with five having gone through initiation in the Spring. Our three advisors are Teresa Brahm,

Rachel Vander Brock, and Lisa Ford-Brown.

We did three community service projects which consisted of trick or treating for canned food, campus wide cleanup on

Parents Weekend and Earth Day. Throughout the year Zeta Phi does several inter-sorority activities. They begin with the annual

Homecoming Tea with the alumni.

In the Spring we have our annual formal where all of the members and their dates get dressed up and go somewhere to eat and it also gives the

new members an opportunity to get to know everyone after initiation. In the summer we have a reunion for all members to get together for a weekend of fun.

Collegiate Singers

The 1996-1997 school year was an important year for the University of Dubuque Collegiate Singers. This year the organization celebrated it's 25th Anniversary. Many of the groups Alumni came back during Homecoming to perform at the Alumni Banquet. They also joined the current group in the singing of the national anthem prior to the Homecoming Football game.

The Collegiate singers opened their year at the Homecoming Pep Rally. Next the choir performed at the Christmas Candlelight Service. Other performances included the Honors Convocation, the annual Pretzel and Dessert Pops concerts and Baccalaureate.

U.D. for KIDS

U.D. for KIDS, started in 1991, is a summer academic program for Talented and Gifted elementary student from the tri-state area. Many University of Dubuque students, on campus or in town for the summer, work as counselors and teacher assistants in the classes.

Campus Life

Alpha Phi Omega

The Pi Beta Chapter of Alpha Phi Omega shows a growing determination to excel in the principles upon which we are based. Each member is given the opportunity to hold an office, each of which allows for a different focus of responsibility within the chapter.

We have a number of traditional service projects that the campus and the community look forward to each year. One of these is the annual trick-or-treating for canned goods. We go into the community and collect can foods and clothing to be donated to the Dubuque Rescue Mission. Another project includes our semesterly teeter-totter marathon, a 48-hour marathon in which we raise money for an organization dedicated to helping people.

We have also worked in projects such as:

- * Environmental education for school children
- * March of Dimes walk-a-thon
- * UD's Health Fair and Job Fair
- * Cleanup at Backbone State Park

Total hours volunteered during 1996-1997 school year exceeded 1000 hours

Web of Life is a student-run Environmental Organization dedicated to increasing Environmental Awareness on campus. We began and maintain the recycling program. We have adopted a stretch of highway north of Dubuque which is cleaned twice a year. We try to schedule camping trips twice a year and hiking trips occur several times a year as well.

In addition to this we organize Earth Day events. For the past four years we have led in a day-long campus cleanup and beautifying. We post information about the environment around campus and work with maintenance to lay down wood chips around trees, seed the lawn, and rake the campus. This past year we were fortunate enough to receive 10 Colorado Spruce and 10 Norway Spruce saplings as a donation from The Wagner Nursery. These trees were planted by the football stadium. It is hope that these trees will serve as a reminder of our hard work and dedication to students in the future.

Delta Phi Sigma Through Thick and Thin

By: Cindy D. Robertson

The Delta Phi Sigma sorority is the oldest on campus, founded in 1919. We

participate in many functions throughout the year, including the Activities Fair and Homecoming. Our motto is "Through thick and thin." Our brothers are the Thirteeners. Traditional colors of this sorority are dusty rose and mint green, but around campus we can be seen wearing red and white.

Officers

Though Delta Phi Sigma sorority is small, it facilitates the abilities of individual girls to great extent. As in all so-

rorities, sisterhood plays an important role in the succedd of the girls. Academic, social, and value standards are attained by these girls. Present through the sorority are loyalty, fi-

delity, and harmony to each other. The actives would like to welcome our two fish pledges for 1997; Elizabeth Gross and Ann Weckback.

Phi Sigma Tau

By Jaime Edrosa

The 1996-97 academic year marked a new and quite different year for Phi Sigma Tau than the previous years. Jay Miller who had served our advisor for many years retired and Adam Snook and Garritt Grandberg who had been members for more than 3 years graduated. This left Phi Sigma Tau with a vacant position for an Advisor and four virtually new members to find a new one. We decided to ask Mr. Edward Abraham (who incidentally replaced Jay Miller as a Professor in the Aviation Department) to be our new advisor. Luckily for us he accepted as he has done a great job and we thank him very much.

Doug Clevenger and Jeff Berens joined Phi Sigma Tau this year, greatly adding to the "brotherhood" atmosphere found within the Fraternity. Our main event of the year was our formal which was held at the Knight Light Supper Club. Our service projects included Earth Day, Highway Clean-Up on Highway 151/61 and helping to set up with this year's Senior Party. We are greatly looking forward to next year and hope it will be as good as this one.

Gamma Phi Delta

By: Sara Bruchert

Gamma Phi Delta was founded in 1936- this year was our 60th anniversary! The Gammas were very busy this past year. In October we celebrated our anniversary at Homecoming with a Tea for our Alumni and assisted the Mu Sigs with their annual Hay Ride. November brought the annual canned food drive with the Gammas and the Mu Sigs. The canned food went to the UDDS Food Pantry. We celebrated Christmas together at Cedars Restaurant by exchanging gifts.

Second semester brought the pledging season and in February we welcomed three new members: Amber Nedland, Lizzie Kuhne, and Nicole Zierath. Every month

we visit our adopted grandmother, Florence, at Enoble Care Center, and plan to do service for our campus by participating in Earth Day. In May we will be saying

good-bye to our graduating seniors: Sara Bruchert (Pledge Class '94) and Geri Futrell (Pledge Class '96).

We presently claim ten active members. We host several parties throughout the year, including the hay-ride and a hog-roast for our alumni and actives. We also maintain a web page at <http://users.mwci.net/~goofy/musig.html>.

Our colors are black and gold and our sister sorority is Gamma Phi Delta. The 1996-97 Officers were: President- Pat Dunn Jr., Vice President- Doug Oppedal, Secretary- Mike Tischler, Treasurer- Tom Morgan, and Sgt. at Arms- Kiril Tsekanovskiy.

Campus Ministry

The Campus Ministry Advisory Committee is an organization that works with the undergraduate Chaplain to help organize religious activities and events on campus.

Some of the special events sponsored by CMAC this year were our annual trip to Maquoketa Caves, Halloween Hay Ride, Fall Retreat, and Christmas Candlelight Service. Our weekly events included Chapel every Tuesday morning and Bible Study on Monday nights.

CMAC also sponsored 11 students to attend the Iowa Student Leadership Conference in Des Moines. During this conference the students learned how to become Christian leaders on the UD campus.

The 96-97 school year has also been a year of change for CMAC. The process for a full time undergraduate Chaplain has begun. It is the hope of CMAC to have a full time Chaplain in place by the end of the academic year.

Community Advisors and Coordinators

Jeremy Baker, CA in Donnell, waits for specific directions at the CA group interviews where the current CA's were asked to observe the candidates for next year.

The 1996-97 Housing Staff began their year with a week and a half of training in preparation for the long year ahead of them. It was here that Bo Helmich was introduced as the new Community Coordinator of Donnell Hall.

For some CA's and CC's this year was just another notch in their belt. But, for many, it was their first time around. For those experiencing the job for the first time it wasn't long before they learned that the Housing Staff was not well liked on campus.

The year was littered with it's problems and successes such as a \$500 board allowance for the CA's. The year ended on fairly terms in all areas, especially when Gary treated everyone to Timmerman's. Thanks Gary!!

Alpha Eta Rho

Alpha Eta Rho is the International Aviation Fraternity, which was founded in 1929. It is a co-ed professional fraternity that strives for the advancement of aviation and all of its branches. It also serves a purpose to promote contacts within the profession, and to provide a close brotherhood between the students of aviation, education, and research. The floor decorating contest at Homecoming was an excellent display of school spirit. The best decorated floor in each hall was awarded a pizza party.

Residence Hall Association

Throughout the year the Residence Hall Association plans and sponsors hall activities for which each resident is assessed an activity fee.

This past years activities sponsored by RHA included Wine and Cheese nights in each hall, Hall and Door Decorating Contests, Pool Tournaments and placement of cigarette receptacles outside all dorms.

RHA was also responsible for maintaining the game equipment in each CA office. Constant use and abuse of the equipment made this a chore in itself.

SET TO WIN

Volleyball team has winning season

As with all sports the University Lady Spartan Volleyball team won some and lost some. The team started out the season with a great record and held strong. Before heading to Texas to face some of the country's best teams the team held a 5-3 Iowa Conference record. Throughout the season Junior starter Jen Corwin was named to the All-Iowa Conference team and Freshmen Janene Doddema and Sara Gassmann earned Honorable Mention accolades.

FOOTBALL

Football team is slowly improving

After three years of nearly winless seasons it seems as if the Spartan Football team is coming back into the game. This past season held a record of 1-9 with many near misses. The Spartans played their hearts out this past season and hopefully there is more to come.

Individually, Matt Plummer, a freshman receiver, was named to the fall All-Iowa Conference team as well as in the NCAA Division III record books. In one year Plummer set virtually every Iowa Conference and University of Dubuque receiving record.

CROSS COUNTRY

It may not sound like much to some sports fans, but Coach Scott Steurenagel's women's cross country team's sixth place finish in the Iowa Conference Championships was a large step for the Spartan sports program. The sixth place finish is the UD women's squad highest finish in history.

Meanwhile the men's cross country squad didn't fare as well in their season finale. The men's squad finished ninth in the Iowa Conference Championships. Next year brings many return runners and high spirits.

SHOOTING TO WIN

**Men's Basketball team

For the Spartan Basketball team the 1996-97 season was a rough road. The season started out slow, with no wins, and never really got any better. The team members worked hard and played hard but it didn't seem to do any good.

Overall, the season was one of negative publicity and down spirits. With all the negatives floating around it was hard to find a reason to win.

BASEBALL

For the University of Dubuque Baseball team a winning season in 1997 was so close yet so far away. The team won and lost almost an equal number of games and the final say came in the Iowa Conference tournament.

UD entered the tournament in sixth place and the outlook was good. One of UD's main goals in the tournament was to defeat league-leading Wartburg for the right to advance to the IIAC finals. Their goal fell short of them by a 4-3 victory by Wartburg.

SOFTBALL

Overall the University of Dubuque Spartan Softball team had a pretty even season in 1997. The season started out strong but then tapered off toward the end. First-year Coach Jeff Brooks led his team to six team records and three individual marks. Sara Gassmann, who led the Iowa Conference with four triples, set a UD record with six in a single season.

Senior Tina Felderman capped off her four years at UD by earning First Team honors on the All-Iowa Conference softball team. She was a four-year starter who played as short-stop this past season. Gassmann was also selected to the All-Iowa Conference Second Team at first base.

Cheerleaders

Squad cheers with determination and desire

By: Elana Brooks

This year the University of Dubuque Spartan teams were fortunate enough to have a great Cheerleading Squad. The cheerleaders dazzled the crowds with new stunts,

cheers and great dance routines.

The cheerleaders were very dedicated by attending every Football and Men's Basketball game.

An annual activity of the cheerleaders was held at Homecoming when they sponsored the Guardian Angel sale of the Football Players. This activity gave the fans an opportunity to pump up the football players for the Big game.

A formal portrait taken of the girls at Homecoming. Rear L to R: Corryn Antonizio, Alicia Poper, Coach Elena Brooks, Kristen Koeller, Amy Zwicker. Middle L to R: Jessica Gratton, Teresa English. Front: Layla DeLeon.

Junior Alicia Poper shows her Spartan pride as she tries her best to keep the crowd cheering at the Homecoming game.

Colophon and Yearbook Staff

The 1997 Key was printed by Walsworth Publishing Company, Marceline Missouri: represented by Dave Schlabaugh. The books are paid for through student activities fees.

The cover was designed by Tom Hogan in the University's Marketing office. Most photos were submitted by their respective organization. Sports photos were provided by Sports Information Director Greg Yoko. Computer layout work was performed by Latricia Lord, Editor.

This book was made by PageMaker 5.0 on a Macintosh computer. All captions are 10 point Times. Body copy is Times 12 point.

Yearbook Editor Latricia Lord could quite often be found taking photos at various events. Here she is taking photographs of graduation.
